

Takaido Park

Information on the Park

Located on the Musashino Plateau, Takaido Park is a greenery oasis between two rivers, the Kanda River and the Tamagawa Water Supply. The north area offers a spacious and open lawn area, and the south area offers baseball fields and other sports facilities where visitors can enjoy sports beneath a vast and open sky. (South area: under construction in part)

Lawn Area

Strolling up the slope along cherry blossom trees from Fujimigaoka Station, a stunning view of a vast field of grass illuminated by bright sunlight under a blue sky awaits on a fine day.

This location is also designated as an evacuation assembly area in the event of a disaster.

Playground

Equipped with swings, jungle gym, and sculptures, this area provides an exciting playground for children of all abilities to enjoy.

Sculpture Slide

Fitness Equipment Square

With the goal of allowing visitors of all abilities and ages to enjoy, the two areas; one targeting to maintain your fitness and the other for sports and physical training offer an inclusive outdoor gym area.

Disaster Prevention Facilities

It is important to be prepared on a daily basis in the event of a major earthquake. Takaido Park is equipped with facilities that are crucial in the event of a disaster. The emergency toilets are constructed to withstand a major earthquake and can be used by opening the manhole covers, even if water and sewage services are interrupted.

Also Kamado (furnace) benches, used as normal bench seats daily, can be turned to kamado furnaces for bonfire and cooking by removing the bench top in the event of a natural disaster.
